Dear Parents and Friends of Bishop England High School,

It is my pleasure to write to you with details regarding the news I am sure you have already heard. The Bishop England Principal Search Committee has completed its work and Bishop Guglielmone has appointed Mr. Michael Bolchoz to lead the school beginning with the start of this semester.

Mr. Bolchoz has been serving as Assistant Principal at Cardinal Newman High School in Columbia, SC for the last four years. A member of Bishop England's graduating class of 1983, he is well known to our community. After some years of success in business, he chose a different career path and began work in Catholic education. Mr. Bolchoz served previously at Bishop England as a teacher and coach, and our faculty and staff have already extended a warm welcome as he returns to our campus.

For my part, I am both pleased and relieved. From the outset my leadership at Bishop England (this time around) has been an interim position. While I enjoy every part of my association with this great school, I also have a parish which I love to serve.

I know that you will join me in welcoming Mr. Bolchoz back to Bishop England. He deserves our prayerful support. Like all of us, he wants to do all that is best for the most important part of our community: the students in our care.

Thank you for all your kind support and encouragement. May God continue to bless Bishop England and all who walk her halls.

Sincerely,

(Rev.) L.B. McInerney
