

Bishop England High School 2010 Golf Tournament

The Nicholas J. Theos Fund was established to help all of our families at BEHS and enable students to experience the uniquely rewarding benefits of a Catholic Education.

Through the enthusiasm of our students and the dedication of our faculty and staff, BEHS seeks to create an environment in which we fulfill our mission of fostering a faith community characterized by the Gospel message of mutual respect and charity. Those of us who are fortunate enough to share in this experience are truly the beneficiaries of a special gift.

Like most gifts, the BEHS experience does not come without a cost. The financial resources necessary to support the wide range of spiritual, academic and co-curricular activities are substantial and continue to rise. We are deeply appreciative to those of you who recognize these demands and generously support our efforts to meet these financial challenges.

Your unfailing support allows the school to remain committed to our goal of being able to offer a BEHS education to all families, regardless of their financial situation.

May God continue to bless you as we keep you in our prayers and thank you for the generous support of Bishop England High School
